SUBJECT: More at Four Budget Update

The General Assembly has completed its compromise budget for 2009-2010 that Governor Perdue has committed to sign. Legislators and the Governor have restored a significant portion of the proposed cuts to the More at Four Pre-Kindergarten Program (MAF), affirming the importance of high-quality pre-kindergarten for four-year-olds. The reduction to MAF for SFY 2009-2010 will be \$5 million. Additional information about the availability and use of these restored MAF funds will follow the final passage and certification of the budget.

Thank you.
